

# Onur Ravli Full-Stack Developer

onur@onurravli.com • onurravli.com • linkedin.com/in/onurravli • github.com/onurravli

## Summary

I am experienced in full-stack development with proficiency in TypeScript, Python, and Java. I have worked with various backend and frontend tools, including Node.js, Express.js, Spring Boot, Django, React.js, React Native and Next.js. Now, I am currently seeking opportunities to further develop my skills and contribute to innovative projects within the tech industry.

## Experience

### Insider. (Istanbul, Türkiye)

Software Developer

Remote  
July 2025 – Present

- I have joined Insider as a Software Developer.

### Acanio LLC (Orlando, Florida, USA)

Full-Stack Developer

Remote  
February 2025 – May 2025

- Contributing to company's products, including a web application, using JavaScript, TypeScript and React.
- Collaborating with designers to implement new features and improve the user experience.
- Fixing bugs and improving the codebase.
- Writing unit tests and learning test-driven development practices.
- Participating in code reviews to learn modern best practices from senior developers.

### Doc Design and Informatics Ltd. (Istanbul, Türkiye)

Full-Stack Developer

Remote  
March 2024 – November 2024

- Development of both backend and frontend software for .DOC and its clients primarily using Node.js, Strapi.js, React.js, Python, and PostgreSQL.
- Writing both unit and integration tests for codebases.
- Reviewing code and maintaining legacy code to ensure consistency.

### JotForm (Ankara, Türkiye)

Summer Intern

Remote  
August 2023 – September 2023

- Development of a revision history system for their product, Jotform Approvals, with my team, Jr. Source, as an internship project using Node.js, React.js, SCSS, PHP, and MySQL.

### Üstünova Engineering (Ankara, Türkiye)

Summer Intern

Ankara, Türkiye  
July 2023 – August 2023

- Frontend development of a dashboard and a control panel for an EV charging station software, Electr-INN, using Next.js, Node.js, and Django.

## Skills
